Become a Sponsor. Change Lives.

Join Moody Neurorehabilitation Institute as a sponsor of the 2027 Moody Neuro Walk & Roll on Saturday, April 3, 2027. This inspiring community event brings together more than 300 survivors, families, caregivers, healthcare professionals, and supporters to celebrate recovery, raise awareness for brain injury and neurological rehabilitation, and show survivors they never walk—or roll—alone.

Your sponsorship directly supports the Moody Neuro Patient Charity Fund, providing life-changing equipment, mobility devices, communication aids, and home modifications that help patients safely return home and regain their independence. At the same time, your organization will receive valuable recognition through event signage, social media, marketing materials, and on-site engagement with hundreds of community members.

Partner with us and become a champion for recovery. Your support will make a lasting difference in the lives of individuals rebuilding after neurological injury while showcasing your organization's commitment to strengthening our community. We invite you to join us as a sponsor and help make the 2027 Walk & Roll our biggest and most impactful event yet.

With gratitude,

Courtney Gifford
